

ANNUAL SHOW FUNDRAISER

Kevin Crawley and Preston Bryant of PMC are currently in Newark and conducting our annual fundraiser for our FOP Lodge. They have been doing our fundraiser for approx 20 years. They call on local businesses and individuals in Licking County and ask for donations to place an ad in the program that is passed out FREE the night of the show to everyone that attends. This is the major fundraiser for the year that our FOP Lodge conducts. **The monies raised from this fundraiser come back to our FOP Lodge.** So, if anyone asks you about someone calling them on behalf of Licking County FOP Lodge #127, you can tell them it is a legitimate company and they are working for us and the money comes back to us.

If any members know of any individuals that would like to donate to our fundraiser or any businesses that would like to buy an ad in the program, please contact Kevin or Preston at 740-345-7885. This is only as successful as we make it. Please do your part and get involved to help out **YOUR** FOP Lodge. We are planning on building a new lodge this year or very early next year, we need all the support and funds we can secure.
