2nd FOP/Longaberger Memorial Basket

Three Ohio FOP lodges (Muskingum County - #5, Franklin County - #9, and Licking County - #127) are actively supporting a 2006 fundraiser, similar to last year's fundraiser that benefited the FOP Foundation. These Ohio lodges are dedicated members of their communities and are honored to pay tribute to our fallen officers through this special commemorative Longaberger basket set.

These lodges share a geographic connection with America's premier maker of handcrafted baskets, The Longaberger Company, and are committed to making this fundraiser successful for all involved communities. A portion of the proceeds raised will benefit the FOP Foundation and the Police Memorial in Washington, D.C., much the same as last year.

This special Longaberger Recipe Basket and Lid set is available through July 1, 2006. You won't want to miss this opportunity to support the 25th Annual Police Memorial Service in Washington, D.C., as well as your state and local FOP lodges. For every basket set sold, the donation is divided between the FOP Foundation and the local and state lodge in which it is credited. Visit one of these Ohio lodge websites to see how you can support this fundraiser: www.fopzanelodge5.org, www.fop9.org, and www.fop127.com.

This customized FOP basket and lid set handcrafted by The Longaberger Company has been designed to honor our fellow officers who have selflessly given their lives in the line of duty. The basket's design features a blue trim, star tacks, an FOP logo burned on the bottom of each basket, and a commemorative brushed nickel tag and a custom-engraved lid with the FOP logo. As an additional tribute, a listing of the 2005 Fallen Officers will be included with every basket set purchased.

Order forms can be found at www.fop127.com

**** Remember to put **OH-127** on your order form so our lodge gets the \$5.00 credit for selling the basket. ****

Executive Board Challenge to the Members of FOP Lodge #127 and FOPA Lodge #10...

*** If each member could get **just ONE** sponsor for the event, it would be a huge success. We are trying to build our "New" FOP Lodge this year and this event will go a long way in helping us with some of the costs that will be associated with everything involved in making that happen. Please help and make this event a success!!!

This is your lodge, please get involved and do your part to help with the cost of our "NEW" FOP Lodge.

"New" FOP Lodge

A meeting has been tentatively scheduled for May 25 with our contractor, architect, and engineer. Plans should be completed and we should be able to start getting some solid bids from companies that will do the work for us. This has been a long process, but since we closed on the property back in November 2005, this project has been moving forward. Only a small number of people have chosen to get involved, so those people are the ones that are pushing this project along. If anyone is unhappy with these events, you are encouraged to get involved to help this project move along at a faster rate. Any and all help is appreciated. It is **your** Lodge.
